

True Charade is an acoustic trio performing a diverse mix of musical Americana. From singer/songwriter folk and blues to rock and country, we offer an eclectic mix of vocal harmonies. With Diane and Kent on stringed instruments and vocals and Peggy on bass, we are united to explore varied perspectives embedded within the songs and lyrics. We perform music from various artists such as Mindy Smith, Anders Osborne, The Cult, The Oh Hellos, Lucy Hammond, John Prine, The Subdudes, Bob Dylan, The O'Kanes, Joshua James, and Nicki Bluhm. Music is the medicine and the catharsis we all need.
