

Swing 6625 is a trio that grew out of regular jam sessions at the Homestead Pickin' Parlor located at 6625 Penn Ave in Minneapolis. The band plays classic swing tunes inspired by Django Reinhardt, French Cafe Music, and a bit of Ella Fitzgerald. Sharon Sudman's vocals and rhythm guitar anchor the band, which Michael Keyes complements on lead guitar and vocals, and Mark Johnson's accordion and vocal stylings. Come on out and experience a new take on this timeless music".
